Enrollment Summary - Selecting a Student to View

All of this is available in the [NSLDS Enrollment Reporting Guide \(November 2022\)](#)

Enrollment Summary: Selecting a Student to View To view a student's enrollment records, you must first search the database for that student.

1. Select the Enrollment section located under the Aid Recipient tab to view the Enrollment Summary page (Figure 7-8: Enrollment Summary on page 73).

Enrollment Summary - Selecting a Student to View

2. Enter the student's identifiers in the Selected Aid Recipient link at the top right side of the page: • SSN • Date of Birth • First Name NOTE: If a relationship exists, users can search by only entering the SSN.

3. Click Search. The Enrollment Summary page redisplay with the student's latest enrollment information, shown in Figure 7-9. The information presented is provided to NSLDS by schools and loan holders for the student selected. If the student has attended more than one school, each school's enrollment summary information is displayed on a separate line. If the student has attended, or is attending, a school that has not certified enrollment; the school will be displayed with the enrollment information provided by the GA or federal loan servicer.
